

HEALTH AND SAFETY AT KIDS QUEST AND CYBER QUEST

Our top priority will always be the health and safety of our employees, our guests, and the children entrusted to our care. Before you visit, be advised of the following changes at our centers.

We encourage you to view Santa Fe Station Hotel Casino's safety protocols prior to your visit - santafestation.com/playitsafe/

Effective midnight Friday, June 25, 2020, the Nevada Department of Health and Human Services (DHHS) and under the advisement of Station Casinos, all children ages 10 and older will be required to wear face masks upon visiting any Station Casino property including while visiting our Kids Quest and Cyber Quest locations.

08/14/20 Update: All children over the age of 5 must wear a face mask to attend Kids Quest, per Nevada child care licensing guidance, and Governor Sisolak's emergency directive no. 28. If your child has a medical condition that exempts them from wearing a face mask, documentation from a medical provider must be shown to a member of Kids Quest staff upon check-in. Children under the age of 2 will not be required to wear face masks.
