

Kids Quest and Station Casinos Announce Newly Remodeled Sunset Station Kids Quest Family Entertainment Center

Las Vegas, NV: For Immediate Release —Sunset Casino will be unveiling a newly remodeled Kids Quest hourly children's entertainment center. Kids Quest has partnered with Station Casinos for over 20 years, and hosts nearly 50,000 children per year for play.

Kids Quest, Inc., is a family-owned business and a nationally recognized leader providing children's entertainment since 1992. Operating in casino resorts across the country, Kids Quest offers adult guests the opportunity to check their children in for exciting supervised play at an hourly rate. Sunset Station Hotel and Casino continues to proudly serve the families in Las Vegas, specifically, the residents of Henderson. The Kids Quest team at Sunset also features an experienced staff with 17-year employee Nicole Meyers serving as the center director. As with all Las Vegas center locations, Kids Quest is proud to support Station Casino's love for locals!

The New Sunset Station Kids Quest features:

- A new Sports Zone gym for physical activity and team play
- A new supervised climbing wall
- A redesigned play piece filled with great physical challenges
- A Club 305 Tumble Gym featuring age-appropriate activities for children 30 months to 5 years of age
- Apt. Q – a cozy kid-friendly living space complete with funky décor, books, movies, crafts and props for dramatic play
- The Creation Station arts and crafts area to inspire imaginations
- A reimagined Karaoke Star Stage for young entertainers to sing and dance in costume
- Updated Techno Quest video game kiosks
- A Quest Café serving kid-friendly snacks, meals and beverages
- A refreshed Tiny Tot room for babies 6 weeks to 30 months
- An Apple iPad multi-station game table for tablet play and much, much more!

Joe Haley, Senior Vice President of Design and Construction for Station Casinos said, “ Our partnership with Kids Quest was created to better serve our guests with children. By updating and enhancing the Kids Quest play facility we are delivering on the promise to entertain everyone in the family.”

Kids Quest/Cyber Quest COO Troy Dunkley added, “We are very excited to be providing a new guest experience at Sunset Station. We believe the renovations will better serve our Las Vegas families, and ensure an outstanding entertainment experience for those traveling with children.”

About Kids Quest: Kids Quest is a nationally recognized leader in hourly children's entertainment. Kids Quest provides supervised fun for children from the ages of 6 weeks to 12 years. The company is headquartered in Plymouth, Minnesota and operates a total of 29 facilities, employs over 500 entertainment professionals, and serves over 800,000 children

annually. Kids Quest is the ideal group play venue to celebrate a birthday or special occasion. The facilities truly offer something for everyone! For more information visit www.kidsquest.com.

About Station Casinos: Station Casinos was founded by Frank Fertitta, Jr. in 1976, and is well known in the Las Vegas casino market for serving locals who prefer the convenience of gaming within neighborhoods, versus the Las Vegas Strip. The Station Casino's portfolio consists of 21 different gaming properties, with 8 gaming facilities operating under the banner of Wildfire Gaming. There are currently 6 sites they have procured for future development--4 locations in Las Vegas, and 2 in Reno, NV. Stations Casinos also serves as a consultant and management company for Graton Resort and Casino, and operates the property on behalf of the Federated Indians of Graton Rancheria. Station Casinos has been a Kids Quest partner for nearly 25 years, offering hourly on-site children's entertainment for their guests.
