

Milk Rainbows

By Jean Van't Hul

Materials

- milk
- food coloring (4 colors)
- plastic plate
- dishwashing detergent

Directions

1. Pour milk onto the plate
2. Drop the 4 different colors of food coloring onto the milk.
3. Add one drop of the dishwashing detergent in the center of the plate.
4. Wait for a cool kaleidoscope of color to spin in front of your eyes!
